Tahira Badre is a professional belly dance instructor and mentor to many women in the golden horseshoe area. Her gentle and respectful method of teaching the dance, inspires the beginner and challenges the expert. Find out more about her by visiting www.tahirabadre.com

Cheryl Camillo is a natural intuitive healer. Cheryl has refined her skills over the last 10 years as her spiritual life's calling has come into focus. As a positive and compassionate White Light Healer, Cheryl brings forth an abundance of energy and inspiration to help others heal and grow in their own spiritual lives. Cheryl also produces a bi-monthly spiritually directed newsletter to help others to understand the spiritual and metaphysical world around us and our interactions with each other. She now creates personalized healing meditations for a variety of illnesses and for relaxation. In 2005 Cheryl obtained the first level of ordination in a Gnostic church. www.spiritwalkdundas.com
